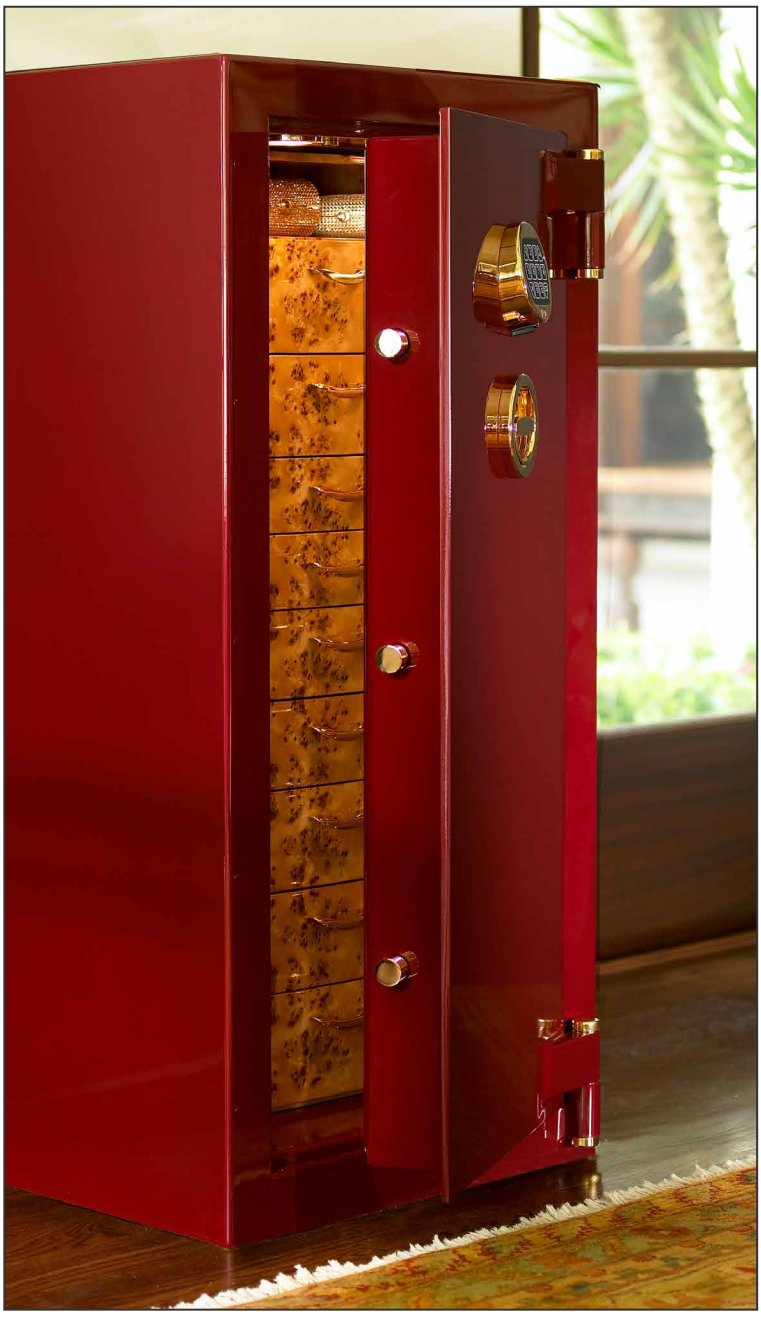
TRAUM SAFE

World's Finest Luxury Home Safes

THE METROPOLITAN

The METROPOLITAN *offers the convenience of an organized jewelry safe in the privacy of your dressing room.*



METROPOLITAN SAFE

Elegant, sleek and stylish, the METROPOLITAN is our most versatile safe model.

Easy to access and easy to operate, the METROPOLITAN lets you enjoy your jewelry and watches to your heart's content.

Built in Switzerland and Germany to the highest manufacturing standards, the METROPOLITAN provides strong defense against burglary and fire.

This safe features a simple to use electronic lock to suit your busy lifestyle. For added security, the safe can be bolted down and connected to your home alarm system.

The bespoke interior is built with custom drawers that feature our famous jewelry and watch trays. Create your own interior from our extensive selection of designs or pick one of our popular combinations.

Display and protect your expensive watches with our exclusive automatic watch winders.

The METROPOLITAN is a bespoke safe; we build and finish each one individually to meet your unique needs.

The safe sizes depicted on these two pages are our standard offerings, but we can accomodate custom sizes as needed. Please note that custom sizes may have longer lead times. Any of our safes can be ordered with a left hinge.

To make it easier for your architect or designer to fit your safe into their plans, we can provide CAD drawings upon request.

While the safe interiors depicted are the typical layouts, we will work with you to custom design the interior to accommodate your personal collection. Our safe interiors can be outfitted with automated watch winders.

For added security, your safe can be bolted down and connected to your home alarm system.

We offer in-home consultations to measure your space and to find the perfect location for your safe.
